

**LOS ANGELES BASED AMERICAN ROOTS ARTIST ANNETTE CONLON
ANNOUNCES LAND~OF~SKY TOUR 2015**

Annette Conlon is an American Roots artist with a Country bent. Touring to support her debut solo release LIFE, DEATH, AND THE SPACES BETWEEN, she is accompanied by husband Doug on banjo and acoustic guitar. Performing with a full band, duo, or solo she captivates audiences everywhere, performing mostly originals with the occasional country, old style, or folk standard thrown in. While her lyrics are raw and emotion-provoking, Annette’s beloved voice is the unforgettable through line. Notes AXS.com, “When you hear Annette Conlon’s vocals, it’s hard not to think about Judy Collins and Emmylou Harris.” A five star review in Country Music People states, “Annette Conlon has given us 15 remarkable songs. She emerges at once as a major talent.” Her album LIFE, DEATH, AND THE SPACES BETWEEN is earning radio play in the U.S. & Europe, and American Roots market. “Annette Conlon has created a moving, intimate, magical, melodic country trip.” - *Country Music People*
